## **A Scientific Journal in Life Sciences with Emphasis in Biotechnology, Molecular Biology, Biochemistry, Bioinformatics, and Bioengineering**

### **Patron:**

Director of Repository, Multimedia, and Scientific Publishing, National Research and Innovation Agency (BRIN), Republic of Indonesia

### **Editor In Chief:**

Dr. Puspita Lisdiyanti, M. Agr. Chem. - National Research and Innovation Agency (BRIN), Republic of Indonesia

### **Vice Editor in Chief:**

Dr. Yopi - National Research and Innovation Agency (BRIN), Republic of Indonesia

### **Associate Editor:**

1. Dr. A. Zaenal Mustofa, M. Si. - National Research and Innovation Agency (BRIN), Republic of Indonesia
2. Ade Andriani, Ph. D. - National Research and Innovation Agency (BRIN), Republic of Indonesia
3. Dr. Amy Estiati - National Research and Innovation Agency (BRIN), Republic of Indonesia
4. Dr. Andri Wardiana, S. Si., M. Biotech. - National Research and Innovation Agency (BRIN), Republic of Indonesia
5. Anggia Prasetyoputri, S. Si., M. Sc., Ph. D. - National Research and Innovation Agency (BRIN), Republic of Indonesia
6. Dr. Eng. Asep Bayu, M. T. - National Research and Innovation Agency (BRIN), Republic of Indonesia
7. Chairunisa, S. Si., M. Biotech. - National Research and Innovation Agency (BRIN), Republic of Indonesia
8. Eva Erdayani, Ph. D. - National Research and Innovation Agency (BRIN), Republic of Indonesia
9. Dr. Rikno Harmoko, S. P., M. Sc. - National Research and Innovation Agency (BRIN), Republic of Indonesia

### **Editorial Advisory Board:**

Dr. Akane Sakaguchi-Mikami - Tokyo University of Technology, Japan

Hadhimulya Asmara Ph.D. - University of Calgary, Canada

Prof. Dr. Partomuan Simanjuntak - National Research and Innovation Agency (BRIN), Republic of Indonesia

Prof. Dr. Mustofa Mustofa - Gadjah Mada University, Indonesia

Prof. Dr. Ir. Tatik Khusniati M. App. Sc. - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Tri Muji Ermayanti - National Research and Innovation Agency (BRIN), Republic of Indonesia

Prof. Dr. I Made Artika - IPB University, Indonesia

Prof. Dr. I Made Sudiana - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Hayati Minarsih - Indonesian Research Institute for Biotechnology and Bioindustry, Indonesia

Dr. Tutik Murniasih, M. Si - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Tjandrawati Mozef, M. Es. Sc. - National Research and Innovation Agency (BRIN), Republic of Indonesia

Eny Ida Riyanti, Ph. D. - Indonesian Center for Agricultural Biotechnology and Genetic Resources Research and Development (ICABIOGRAD), Ministry of Agriculture, Indonesia

Dr. Ika Roostika Tambunan - Indonesian Center for Agricultural Biotechnology and Genetic Resources Research and Development (ICABIOGRAD), Ministry of Agriculture, Indonesia

Dr. Rizna Triana Dewi - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. rer. nat. Wien Kusharyoto - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Satya Nugroho - National Research and Innovation Agency (BRIN), Republic of Indonesia

Prof. Dr. Dwi Susilaningsih - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Enung Sri Mulyaningsih - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Wahyuni - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Ratih Asmana Ningrum - National Research and Innovation Agency (BRIN), Republic of Indonesia

Prof. Dr. Ir. Ekowati Chasanah, M. Sc. - Agency Research and Development of Marine and Fisheries, Department of Marine Affairs and Fisheries. Indonesia

Dr. Tatan Kostaman, Indonesian Research Institute for Animal Production (IRIAP), Ministry of Agriculture, Indonesia

Dr. Harry Murti, Stem Cell and Cancer Institute - PT. Kalbe Farma Tbk, Indonesia

Sabar Pambudi, Ph.D. - Centre for Pharmaceutical and Medical Technology, The Agency for the Assessment and Application of Technology (BPPT), Indonesia

Dr. Kusuma Dewi Sri Yulita - National Research and Innovation Agency (BRIN), Republic of Indonesia

Khomaini Hasan, Ph. D. - Faculty of medicine, Jenderal Achmad Yani University, Indonesia

Dr. Ali Rohman - Department of Chemistry, Faculty of Science and Technology, Airlangga University, Indonesia

Dr. rer. nat. Sarjiya Antonius - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Yosmina Tapilatu, S. Pi, DEA - National Research and Innovation Agency (BRIN), Republic of Indonesia

Dr. Abinawanto - Departement of Biology University of Indonesia

## **EDITOR'S PREFACE**

Dear Colleagues,

We are delighted to present to you the second number of *Annales Bogorienses* Volume 26, No. 1, Year 2022 that contains 1 review paper and 4 original papers.

We would like to inform that from this year, this journal is managed by National Research and Innovation Agency (BRIN), Republic of Indonesia and the Patron of this Journal is Director of Repository, Multimedia, and Scientific Publishing, Deputy of Research and Innovation Facilitation, National Research and Innovation Agency (BRIN), Republic of Indonesia (Decree of Deputy of Research and Innovation Facilitation, National Research and Innovation Agency (BRIN), Republic of Indonesia No. 28/II/HK/2022, 16 February 2022).

We would like to take the opportunity to extend our sincere acknowledgement to all the authors, reviewers, and readers of the Journal of *Annales Bogorienses* for extending the kind support and co-operation which truly helped the journal to grow and become as successful as it is today.

June, 2022

The Editor

# Guide for Authors

## 1. Types of contribution

This journal publishes original scientific papers, reviews, and short communication in the field of life sciences with emphasis in biotechnology, molecular biology, biochemistry, bioinformatics, and bioengineering. Reviews will be written by invitation, however, unsolicited reviews will also be considered for publication if prospective author first contact the Editor in Chief to check the suitability of their proposal subject matter.

## 2. Manuscript preparation

Manuscript should be written in English and submitted on line via journal web site. Author must login in order to make submission. Online registration and article submission is FREE of CHARGED.

Editorial board is authorized to reject a manuscript based on peer reviewer advice and make a necessary changes or adjustment related to language properties without altering the substance. Substance editing would be consulted with the author first.

## 3. Submission preparation checklist

Before submission, author are required to check all of the following submissions compliance;

The manuscript have followed the writing instruction provided in the manuscript template (download file).

The manuscript should be written in at least Microsoft Word 2007 (.doc/.docx) files, which contains at least 4 pages A4 and not exceed 15 pages for original scientific paper including figures and tables, or 10 pages for mini-reviews and short communications.

References are written according to the writing style of Annales Bogorienses

Authors should declare that the manuscript is original, no plagiarism matter, and has never been previously published in any other scientific publication and not being under reviewing process of any other scientific publication. Every submission should be accompanied with authorship agreement.

**Title.** A concise and information title written in a sentence format

### Author's Data

- Author(s) full name. no abbreviation)
- The affiliation(s), full address(s) with postcode, e-mail address(es), phone number(s), and faximile number(s) of the author(s).

**Abstract.** Abstract should be a brief summary of the paper and should present the most important results and conclusions in no more than 200 words. Abstract should be written in English and in Indonesian.

**Keywords.** Three to five, should be supplied after the abstract.

**Abbreviation and Symbol.** Abbreviation and symbol should be defined at first mention in the abstract and again in the main body of the text and used consistently thereafter.

**Introduction.** The Introduction is a short section in which the authors should state the reasons for the performing the work with brief reference to relevant previous work.

**Material and Methods.** The Materials and methods should be detailed enough for readers to reproduce the experiment.

**Results.** The Results section should be presented as concisely as possible, where appropriate in the form of tables or figures. Full details of replication of results and statistical significance of differences claimed should be given.

**Discussion.** The discussion section should deal with the significance of the results and their relationship to the object of the work. Comparison with relevant published work should be made and conclusions drawn.

### Citations in the text (refer to APA(American Psychological Association) Style)

- A work by one author → (Jones, 2008) or Jones (2008)

- A work by two authors → **(Bellamy & Taylor, 2013)** or **Bellamy and Taylor (2013)**
- A work by more than three authors → **(Hartati *et al.*, 2008)** or **Hartati *et al.* (2008)**
- Two or more works in the same parentheses → **Nugroho (2009a, 2009b, 2009c)** or **Tappa (2011); Giraffa *et al.* (2010); De Rond and de Rond (2003)**
- Organization as an Author → According to the **American Psychological Association (2000)** or First citation: **(Mothers Against Drunk Driving [MADD], 2000)** Second citation: **(MADD, 2000)**
- Personal Communication → **(E. Robbins, personal communication, January 4, 2001)** or A. P. Smith also claimed that many of her students had difficulties with APA style **(personal communication, November 3, 2002).**

**Acknowledgement(s).** State of the grant source. Institution, year and contract) and the person(s) to whom contributing to the work.

**References.** The list of references should be arranged alphabetically by authors' names. The manuscript should be carefully checked to ensure that the spelling of authors' names and dates are exactly the same in the text as in the reference list. References should be given using the author-date system and APA (American Psychological Association) Style.

The Basic Rule:

Author, A. A., Author, B. B., Author, C. C., & Author, D. D. (Year of publication in parentheses). Title of article. *Full Title of Journal in Italic, volume number in italic*(number in parentheses if any, no italic), page-range. doi:0000000/000000000000 or <http://dx.doi.org/10.0000/0000>

Journal article:

A Scientific Journal in Life Sciences with Emphasis in  
Biotechnology, Molecular Biology, Biochemistry,  
Bioinformatics, and Bioengineering

Volume 26, No. 1, 2022

## Table of Content

Mini Review: GLP-1 Modification, Development and Improvement <i>Fedric Intan Damai, Gracia Christine Lembong Purwanto, Andri Wardiana, Popi Hadi Wisnuwardhani, Dian Fitria Agustiyanti, Alfi Taufik Fathurahman, and Ratih Asmana Ningrum</i>	1
Heterologous Expression of Recombinant Human Insulin Glargine (hIG) in Methylotrophic Yeast <i>Pichia pastoris</i> <i>Neng Herawati, Yana Rubiyana, Desriani, and Adi Santoso</i>	13
A Preliminary Report on The Syntheses of Oligonucleotide Primers in The National Research And Innovation Agency (NRIA) <i>Akhirta Atikana, Anggia Prasetyoputri, Lailatul Qodria, Alfero P. Iryanto, Christy Christy, Yana Rubiyana, Neng Herawati, Desriani Desriani, Riyona Pratiwi, Dwi Wulandari, Linda Sukmarini, Wien Kusharyoto, Adi Santoso, Masteria Yunosilva Putra, Riza Arief Putranto, and Puspita Lisdiyanti</i>	21
Antimicrobial Activities of Actinobacteria Isolated from Marine and Terrestrial Samples in Lombok Island, Indonesia <i>Shanti Ratnakomala, Janina Krause, Miranti Nurindah Sari, Dinihari Indah Kusumawardhani, Mia Kusmiati, and Puspita Lisdiyanti</i>	28
Enumeration and Identification of Culturable Soil Bacteria during GM Rice Overexpressing cry1B-cry1Aa Fusion Genes Cultivation at Four Confined Field Trial in West Java <i>Miranti Nurindah Sari, Pamella Apriliana, and Puspita Lisdiyanti</i>	37
